Working and consuming a RESTFUL API in React.

Links:

- https://pusher.com/tutorials/consume-restful-api-react

- https://blog.bitsrc.io/making-https-request-in-react-3a2777700c5d

- https://www.toptal.com/react/react-context-ap

The above tutorials will help you to be able to work and consume r APIs and HTTP methods in react client apps.

Remember to document your work. Two more days to Go.

Best Wishes Lux Academy.
